School board Toronto District School Board

Address of school 30 McGregor Road, Scarborough, ON M1P1C8

Grade level(s) Grade 5 and Grade 6

Number of students in attendance 45 x Grade 6 and 40 x Grade 5

Description of program:

(Please include names of musician(s), date and teacher and student reaction to program presented.)

Mr. Nunez was truly professional and engaging when he was presented with a challenging group of Grade 6 students. He led the group with confidence and had them playing like they had been practicing for weeks.

The Grade 5 students came in with open minds which allowed Mr. Nunez to fully share his passion for music with them, creating an experience that was quite magical.

Even though the workshop was brief, it left a profound impact on our students. They not only developed respect for our guest musician, they learned to respect the instruments and the process of making music. It was a pleasure to watch our students immerse themselves in the creative process, all while building a sense of community within their drumming circle.
