To Whom It May Concern:

Re: JPEC “Generations - Stars and Rising Stars” series

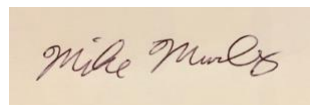

To whom it may concern,

I am writing in support of the JPEC “Generations - Stars and Rising Stars” series and all of the programs that JPEC produces. JPEC has provided invaluable support to jazz education and performance in Toronto since its inception. During these unprecedented times, when live music is extremely limited due to the pandemic, JPEC continues to offer artistic opportunities and employment to jazz artists.

In particular, as a jazz artist and educator, I appreciate the opportunity JPEC provides for me to mentor my students on the bandstand in programs such as the “Generations - Stars and Rising Stars” series. I highly recommend continued financial support for this series and for JPEC in general.

Please do not hesitate to contact me if I can be of further assistance.

Sincerely,

Mike Murley
